

NIAGARA, USA FAMILY ADVENTURE

July 25-27, 2010

This all-American family adventure delivers the thrills of a great natural wonder, but you won't need a passport or birth certificate! Stay near the American Falls, cruise on the *Maid of the Mist* beneath the Canadian Falls, stroll to the Hurricane Deck at the Cave of the Winds, visit the Aquarium of Niagara, enjoy an underground boat ride, dine at the Top of the Falls Restaurant, and much more. It's classic family fun!

DAY 1: Traveling to western New York, stop a little east of Niagara Falls to explore Lockport Cave. You will see part of the Erie Canal Locks, walk through a 1600-foot water tunnel, and delight in America's longest Underground Boat Ride. (Cave temperature is 55°. There are some steps, but the pace is leisurely.) Head next to Niagara Falls State Park, America's oldest state park, located right by the Falls. In the Visitor Center, see "Niagara - Legends of Adventure," a big-screen movie that relates the history and myths of this great natural wonder. This evening, enjoy an Italian buffet dinner at Como Restaurant and check into our home for the next two nights, the Quality Hotel & Suites at the Falls (716-282-1212). The hotel is located not far from the American Falls and about a block from the Seneca Niagara Casino. The Falls are illuminated from 8:00 PM till midnight; depending on the final schedule, there may be a fireworks display over the Falls at 10:00 PM. (dinner)

DAY 2: Enjoy a buffet breakfast at the hotel, then depart with our guide for a day-long All American Adventure Tour. Going downriver to Lewiston, visit Niagara Power Vista, where you will have fun with interactive displays that show how the power of the Niagara River is turned into electricity. (Hop on a bicycle to generate a little electricity yourself!) Check out the Thomas Hart Benton mural, and venture onto the observation deck, perched 350 feet above the Niagara River Gorge. Returning to Niagara Falls State Park, visit the Niagara Gorge Discovery Center to learn all about the geology of the river in a multi-screen theater, climb a rock wall, or take a simulated trip into the gorge. Nearby at the Aquarium of Niagara, say hello to 1,500 aquatic critters, from penguins to sea lions. Visit Luna Island, perched between the American and Bridal Veil Falls, and stand near the Canadian Horseshoe Falls at Terrapin Point on Goat Island. At the Cave of the Winds, take an elevator 175 feet into Niagara Gorge, then walk to Hurricane Deck, which is less than 20 feet from the torrents of Bridal Veil Falls! Get another great perspective on the Falls at the New York State Observation Tower and, at the base of the tower, board the world-famous *Maid of the Mist* for a breathtaking cruise beneath the Horseshoe Falls. For another special treat, relax over dinner at the Top of the Falls Restaurant, which offers breathtaking views of Horseshoe Falls. Adults who want some gambling excitement late this evening will find world-class play near our hotel at Seneca Niagara Casino. (breakfast, dinner)

DAY 3: After a buffet breakfast at the hotel, enjoy a guided tour of Old Fort Niagara, with a colorful history going back 300 years, before departing for home with happy memories of unforgettable family fun in Niagara Falls. Expected arrival in New Cumberland is 6:50 PM, York 7:30 PM, Red Lion 8:00 PM. (breakfast)
