## STATUE OF LIBERTY & ELLIS ISLAND

September 18, 2010

**This unforgettable tour to the Statue of Liberty and Ellis Island celebrates the true meaning of America. Cruise to Ellis Island to appreciate the dramatic story of millions of immigrants. Cruise nearby to Liberty Island to get close to Lady Liberty. Enjoy the marvelous museum inside the pedestal, and go to the top of the pedestal for an incredible view of the harbor and skyline. Every American family should experience these thrilling sights!**

Arriving in the morning at Liberty State Park in Jersey City, NJ, board a ferry to Ellis Island, the historic immigration center, and to Liberty Island, where Lady Liberty raises the torch of freedom. (The ferry makes frequent runs, so you have some flexibility in the time you spend on each island.) On Ellis Island, a three-floor museum relates the moving story of the twelve million immigrant steamship passengers who arrived here over several decades after the station opened in 1892.

(Some forty percent of the ancestors of all Americans passed through here!) On nearby Liberty Island, rangers offer free tours of the island. Using your Monument Access Pass, you can also enter the 10-story Pedestal beneath the statue, where you will find a marvelous museum. Learn how Lady Liberty was constructed by Alexandre Gustave Eiffel in France, which presented the statue as a gift to America. See the original torch, and read in bronze the immortal words of Emma Lazarus: "Give me your tired, your poor, your huddled masses, yearning to breathe free." If you ascend to the top of the pedestal, you will be able to see the internal structure of the statue. You won't be able to walk up to the crown,

but you will behold a magnificent panorama of the harbor and New York City skyline. Be sure to take the ferry to return to Liberty State Park in time to board our motorcoach, which departs at 6:00 PM. Expected arrival in Lancaster is 9:45 PM, York 10:30 PM, Red Lion 11:00 PM. You and your family will never forget this thrilling tour!
