GLASS, GAMES & GRAPES

October 3-4, 2010

For a pretty autumn overnighter, head to New York State. Explore the world-famous Corning Glass Museum, then enjoy the games at Tioga Downs Casino. Next day, travel to sparkling Seneca Lake to taste the wine at two beautiful, award-winning vineyards, Fox Run and Glenora. It's a lively and refreshing tour!

DAY 1: Heading for fun and beauty in New York State, arrive in time for lunch (on your own) at the world-famous Corning Glass Museum. Then a docent will lead us through the world's largest glass museum, which showcases 35 centuries of glass artistry and technology. Live, narrated glass demonstrations will add to our appreciation of the glass maker's art. Later this afternoon, head east to Tioga Downs Casino, where 775 video gaming machines offer a variety of fun for gamblers. Receive $10 in Free Play and a voucher for the dinner buffet. As a special treat, enjoy a Dessert and Wine Reception at the casino, which features wines from Finger Lakes wineries. Tonight, check into the Holiday Inn Express (607-687-9000) on the shore of the Susquehanna River in Owego, NY. (dinner)

DAY 2: After a deluxe continental breakfast at the hotel, head up to the Finger Lakes district to visit two wineries on the western side of sparkling Lake Seneca. First taste the award-winning wine at Fox Run Vineyards high on Torrey Ridge, where grapes are grown by the labor-intensive trellising method. Further south, tour scenic Glenora Wine Cellars, the oldest of the Seneca Lake vineyards and the winner of countless awards. Also enjoy a tasting here, as well as lunch in the winery's Veraisons Restaurant overlooking the beautiful lake. Head home from the Finger Lakes District, stopping at Country Cupboard in Lewisburg for dinner on your own. Return refreshed by your scenic autumn adventure, with expected arrival in New Cumberland at 8:20 PM, York 9:00 PM, Red Lion 9:30 PM. (breakfast, lunch)

DEPARTURES: CAPE HORN (Red Lion): 6:30 AM
QUEENSGATE (York): 7:00 AM
SHREWSBURY COMMONS (Shrewsbury): 6:20 AM
